TOPS Technologies

PROJECTS

1. Vision Gallery

Front-end development

(Aug - 2024)

- As a front-end developer, I created a visually appealing and user-friendly website for an art gallery.
- I used HTML and CSS to design a seamless browsing experience on all devices.

2. Pottery Passions

Front-end development

(Jun - 2024)

- Built a pottery website using HTML and CSS. Optimized website performance for a smooth user experience.
- Contributed to enhancing the online presence of the pottery brand.
